Therefore, I, Isham G. Harris, Governor of the State of Tennessee, by virtue of authority vested in me, do hereby proclaim that volun-teers for this service are desired, and will be accepted in companies for, and during the continuance of the war, to the number of three thousand men. Each company to be composed of one captain, one first Lieutenant, two second lieutenants, four sargeants, four corporals, two musicians, and from saxy-four to one hundred privates, the officers to be elected by

the companies respectively." And for the purpose of organization and in-struction, I do hereby designate Cleveland, in Bradley county, and Kingston Springs, in Da-vidson county, as points for the establishment of camps, and each company, as it is formed will repair to the camp nearest to it, there t be mustered into service, and to be organized into battalions and regiments. By virtue of said requisition, and the authority vested in me, I do hereby further proclaim. that two companies of cavalry for said service are desired and will be accepted for use during the continuance of the war. Each company should consist

of one captain, one first lieutenant, two second lieutenants, four sergeants, four corporals, one farier, one blacksmith, twe musicians, and from sixty to one hundred privates Said companies will repair to Corinth, Misgiasippi, the place of encampment fixed by order of the President of the Confederate States, to be mustered into service and organized into a battalion or regiment. General Order, No. 3. HEADQUARTERS ARMY OF TRENSESSES, NASHVILLE, Tenn., July 6, 1981. The general commanders of the Home Guards of minute men in the several counties in this State, will report forthwith to me the number of men under their respective commands, and also the number of them subject to military duty.

They will further report the number of rifles, shot guns, muskets, swords and cannons own-

ed in the county of which they may be commanders. These reports should be made, in connection with those required to be made by militia commanders by general order, No. 1, so that confusion in said reports may be prevented and the true and exact military condition of each county be at once obtained
